This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

SUPPLEMENT

to the

STATUTORY RECORD

of the

CONSOLIDATED LAWS

of the

STATE OF NEW YORK

from

JANUARY 1, 1910 TO JANUARY 1, 1921

Prepared by

CHARLES H. CLARK

and

CHARLES O. ROBERTS

1910-1920

PREFACE

The supplement to the statutory record of the consolidated laws covers a period from January 1, 1910 to January 1, 1921. It is a continuation of the statutory record of consolidated laws prepared by the Board of Statutory Consolidation and published in 1909.

The consolidated laws are arranged in alphabetical order for ready reference and each section amended or repealed is indicated with the year and chapter of the act. For convenience the Codes of Civil and Criminal Procedure have been included in the book and the sections amended or repealed are carried in the table.

Following this arrangement the book contains a record of the laws repealed and a record of the year, chapter and title of the consolidated laws with a reference to the page in the supplement where the amendments and repeals are noted, and also a record of the laws amending or repealing various sections or parts of the consolidated laws and codes, arranged by the year of their enactment. The Practice Acts of 1920 also appear in the supplement.

An index, which follows, gives the year and chapter of the consolidated laws and the number of the page where each law can be found.

INDEX

To the Consolidated Laws and Codes of Civil and Criminal Procedure

LAW	Year of enactment of the consolidated laws	Chapter number of the consolidated laws	Page in the supplement to the statutory laws
Agricultural Law	1909	9	9

1910	81	.....	Poisoning or attempting to poison animals, amending penal law, § 190.						

[1] § 270 of the consolidated tax law (L. 1909, ch. 62) is the same as § 315 of the general tax law (L. 1896, ch. 908) as added by L. 1905, ch. 241, § 1 and amended by L. 1906, ch. 414, § 1. The amendment of 1906 which provided that the tax be levied, etc., was declared unconstitutional, hence the re-enactment of the act of 1905 in unamended form.
